Kiernan Humphrey

Illustrator x Graphic Designer

Graphic Designer and Illustrator with experience in both digital and analog artwork. Specializing in ink style artwork, with a favoritism in character, creature, and environmental design. I have a strong background in art production, with current projects including marketing and apparel design.

Work Experience

Illustrator, Bedford, NH

August 2024 - Present

Freelance

- Created highly detailed and traditional illustrations, specializing in ink-style artwork.
- Produced high-resolution works ranging from 8.5" x 11", to 48" x 72" at 600 DPI.
- Specialized in character and creature design, from conceptual sketches to production-ready illustrations.

Graphic Designer, Chester/Bedford, NH

August 2024 - Present

Freelance

- Designed logos, apparel graphics, brochures, and website assets tailored to client needs.
- Formatted pages and layouts for print and digital media, ensuring clean, professional designs.
- Created illustrations for marketing materials and merchandise, enhancing brand identity.

Screen Printer, Atkinson, NH

May 2024 - Present

Atkinson Graphics

- Operated 10- and 7-head screen printing machines to produce high-quality apparel.
- Managed shipping, receiving, and inventory for production materials and finished products.
- Ensured quality control and collaborated with the lead graphic designer on artwork execution.
- Worked on major brand apparel, such as Carhartt, Champion, Lululemon, and Comfort Colors.

Line Cook, Bedford, NH

April 2024 - March 2025

Copper Door

- Prepared and plated main dishes and appetizers, focusing on presentation and quality.
- Worked in both saute and pantry stations, ensuring efficiency in high-paced kitchen operations.
- Managed food preparation, inventory counts, and backstock organization to maintain kitchen flow.
